IN GOOD COMPANY

JAYCO STORY

Over the past 37 years, Jayco has built a solid reputation as Australia's favourite recreational vehicle brand.

But even more importantly, our extensive range of recreational vehicles has again been fine tuned as we at Jayco continue pushing the envelope to ensure customer satisfaction and comfort.

And, while our commitment to innovation ensures that Jayco remains the recreational vehicle of choice for pleasure seekers throughout Australia and New Zealand, our mission hasn't altered since day one.

Jayco will continue to invest in manufacturing capabilities and equipment and increase resources in research and development.

All Jayco RV's fully comply with the associations code of manufacturing.

What's more, Jayco offers Australasia's largest range of models, layouts and features, while our manufacturing efficiencies allow us to offer you more for less (our RV's also have higher resale value than any other brand ... all the better for when you upgrade to your next Jayco!) And importantly, the buck doesn't stop when you leave the shop.

Jayco now employ over 800 people from the South East Melbourne Region, the Jayco family are hard working people, passionate about building great products for you to enjoy.

From all of us at Jayco, the message is pre-eminent.

***Sound business... Quality product...
Value for money... Peace of mind***
